

10th May 2012 “New approaches in biopharmaceutical delivery”

08:45 – 09:15 *Registration*

09:15 – 09:40 *Welcome address and Event opening*
General Manager CEIN - Directorate of Enterprise and Innovation

09:40 – 10:00 *“The Sharebiotech Project ”*
Anne-Claude Lefebvre, CRITT Santé Bretagne Director
Brian Monks, Bretagne Développement Innovation Project Manager

10:00 – 10:45 *“Creating value in biomedicine research”*
Dr. Jesús Hernández. (CIMA, Spain)

10:45 – 11:15 *Networking coffee*

10:45 – 13:15 Round Table: **Nanodevices for the delivery of biopharmaceuticals**
In the Chair: Ernesto Bravo (FiDena) / María Jesús Garrido (University of Navarra)

- “Challenges in formulation and delivery of biopharmaceutical drugs”
Dr. Bruno Sarmento (University of Porto, Portugal)

- “Innovative drug delivery systems for site-specific delivery”
Dr. Sandrine Cammas-Marion (ENSCR, France)

- “Polysaccharide-based nanoparticles for nasal and pulmonary delivery of biopharmaceuticals”
Dr. Ana Grenha (University of Algarve, Portugal)

- “Designing Biomaterials for the Host”
Dr. Abhay Pandit (National University of Ireland Galway, Ireland)

13:15 – 14:30 *Lunch*

14:30 - 17:00 Round Table: **Microdevices for the delivery of biopharmaceuticals**
In the Chair: Cristina Gómez Polo (UPNA) / Socorro Espuelas (University of Navarra)

- “Microencapsulation: technologies and applications”
Dr. Denis Poncelet (University of Nantes, France)

- “Adjuvants, microparticles and safe vaccines”
Dr. Carlos Gamazo (University of Navarra, Spain)

- “ImmuPatch: a skin-deep approach to vaccination and drug delivery”
Dr. Anne Moore (University of Cork, Ireland)

- “Examples of innovative nano and microsystems for the delivery of biopharmaceutics”
Dr. Olivier Meyer (CEO Carlina Technologies, France)

11th May 2012 “Building networks in biotechnology”

- 09:00 – 09:15 *Open innovation: Strategy for regional development*
Rafael Muguerza Eraso
Head of the Innovation and Knowledge Transfer Service, Government of Navarra
- 09:20-11:10 Session: “**Tools for collaboration**”
- “INTERREG projects: Sharebiotech, IN2Life Sciences, Interbio and others”
Céline Queron, Sharebiotech Project Manager
 - Regional networks in biotechnology
Richard Tuffs, European Regions Research and Innovation Network (ERRIN) Director
 - Council of European BioRegions (CEBR) and the European Biotech Network
Claire Skentelbery, CEBR Network Manager
 - “Transnational calls for R&D projects: EUROTRANSBIO Initiative”
Christian Listabarth, EUROTRANSBIO leader. Ministry of Economy, Austria
 - Venture Capital Support
María García Arellano. SODENA, Spain
- 11:10-11:30 *Networking coffee*
- 11:30-13:00 Round Table: “**Challenges and experiences in networking**”
In the Chair: Iñigo Lasa (IdAB) / MaríaJosé Fernández (CEIN)
- A Big pharma vision: CINFA
 - A CMO vision: 3P Biopharmaceuticals
 - A Small company vision: BIONANOPLUS
 - A Small technology based company vision: IDEN Biotechnology
 - A RTO vision: CNTA (National Centre for Food Safety and Technology)
 - A public RTO vision: CIB (Research Centre for Biomedicine)
- 13:00 *Closing*
Government of Navarra
