Practical Information

Participation is free, but requires online registration:

www.enermat.eu/RegistrationBM2012

We also kindly ask that every participant signs in on both days at the Welcome Desk. This is required by our European funding agency.

Registration deadline is 11 Mai 2012.

Access :

Cap Sciences is Bordeaux' science museum, located at Hangar 20 - Quai de Bacalan, north of Bordeaux Centre.

- From Bordeaux Centre take Tram line B, station "Bassins à flot"
- Free car park is provided, but with restrictions due to nearby construction work
- look out for the grey hangar, next to the bridge under construction
- Our meeting takes place on the second floor
